Description *Far From the Tree* by Andrew Solomon

From the National Book Award–winning author of *The Noonday Demon: An Atlas of Depression* comes a monumental new work, a decade in the writing, about family. In *Far from the Tree*, Andrew Solomon tells the stories of parents who not only learn to deal with their exceptional children but also find profound meaning in doing so.

Solomon's startling proposition is that diversity is what unites us all. He writes about families coping with deafness, dwarfism, Down syndrome, autism, schizophrenia, multiple severe disabilities, with children who are prodigies, who are conceived in rape, who become criminals, who are transgender. While each of these characteristics is potentially isolating, the experience of difference within families is universal, as are the triumphs of love Solomon documents in every chapter.

All parenting turns on a crucial question: to what extent parents should accept their children for who they are, and to what extent they should help them become their best selves. Drawing on forty thousand pages of interview transcripts with more than three hundred families, Solomon mines the eloquence of ordinary people facing extreme challenges. Whether considering prenatal screening for genetic disorders, cochlear implants for the deaf, or gender reassignment surgery for transgender people, Solomon narrates a universal struggle toward compassion. Many families grow closer through caring for a challenging child; most discover supportive communities of others similarly affected; some are inspired to become advocates and activists, celebrating the very conditions they once feared. Woven into their courageous and affirming stories is Solomon's journey to accepting his own identity, which culminated in his midlife decision, influenced by this research, to become a parent.

Elegantly reported by a spectacularly original thinker, *Far from the Tree* explores themes of generosity, acceptance, and tolerance—all rooted in the insight that love can transcend every prejudice. This crucial and revelatory book expands our definition of what it is to be human.

Far From the Tree by Andrew Solomon

We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Far From the Tree by Andrew Solomon. To get started finding Far From the Tree by Andrew Solomon, you are right to find our website which has a comprehensive collection of manuals listed. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Far From the Tree by Andrew Solomon. So depending on what exactly you are searching, you will be able to choose ebooks to suit your own need. Need to access completely for Ebook PDF Far From the Tree by Andrew Solomon? ebook download for mobile, ebooks download novels, ebooks library, book spot, books online to read, ebook download sites without registration, ebooks download for android, ebooks for android, ebooks for ipad, ebooks for kindle, ebooks online, ebooks pdf, epub ebooks, online books download, online library novels, online public library, read books online free no download full book, read entire books online, read full length books online, read popular books online. Document about Far From the Tree by Andrew Solomon is available on print and digital edition. This pdf ebook is one of digital edition of Far From the Tree by Andrew Solomon that can be search along internet in google, bing, yahoo and other mayor search engine.
