W.E.B. DU BOIS

Description *The Souls of Black Folk* by W.E.B. Dubois

"The problem of the twentieth century is the problem of the color line..."

W.E.B. Du Bois, one of the most influential thinkers, writers, and civil rights leaders of his time, wrote these prophetic words at the beginning of the century. This collection of essays (many originally published in the *Atlantic Monthly*) offers a sociological glimpse at the life of African-Americans just after the turn of the century. It is a powerful and profound look at race, identity, politics, and religion that greatly influenced the civil rights movement.
